

Elevator Pitch

Ching ShiH

What is your Idea ?

Who is it For?

Why is it needed?

The Idea is to design and develop a game about Ching Shih a famous female pirate, which will be educational and interactive.

The Game is aimed at women of any age entering the museum, The game will allow women to gain knowledge whilst enjoying playing an exciting interactive game. This kind of game is needed in a museum as there are not many games filling this niche market.
